"We Are the Champions

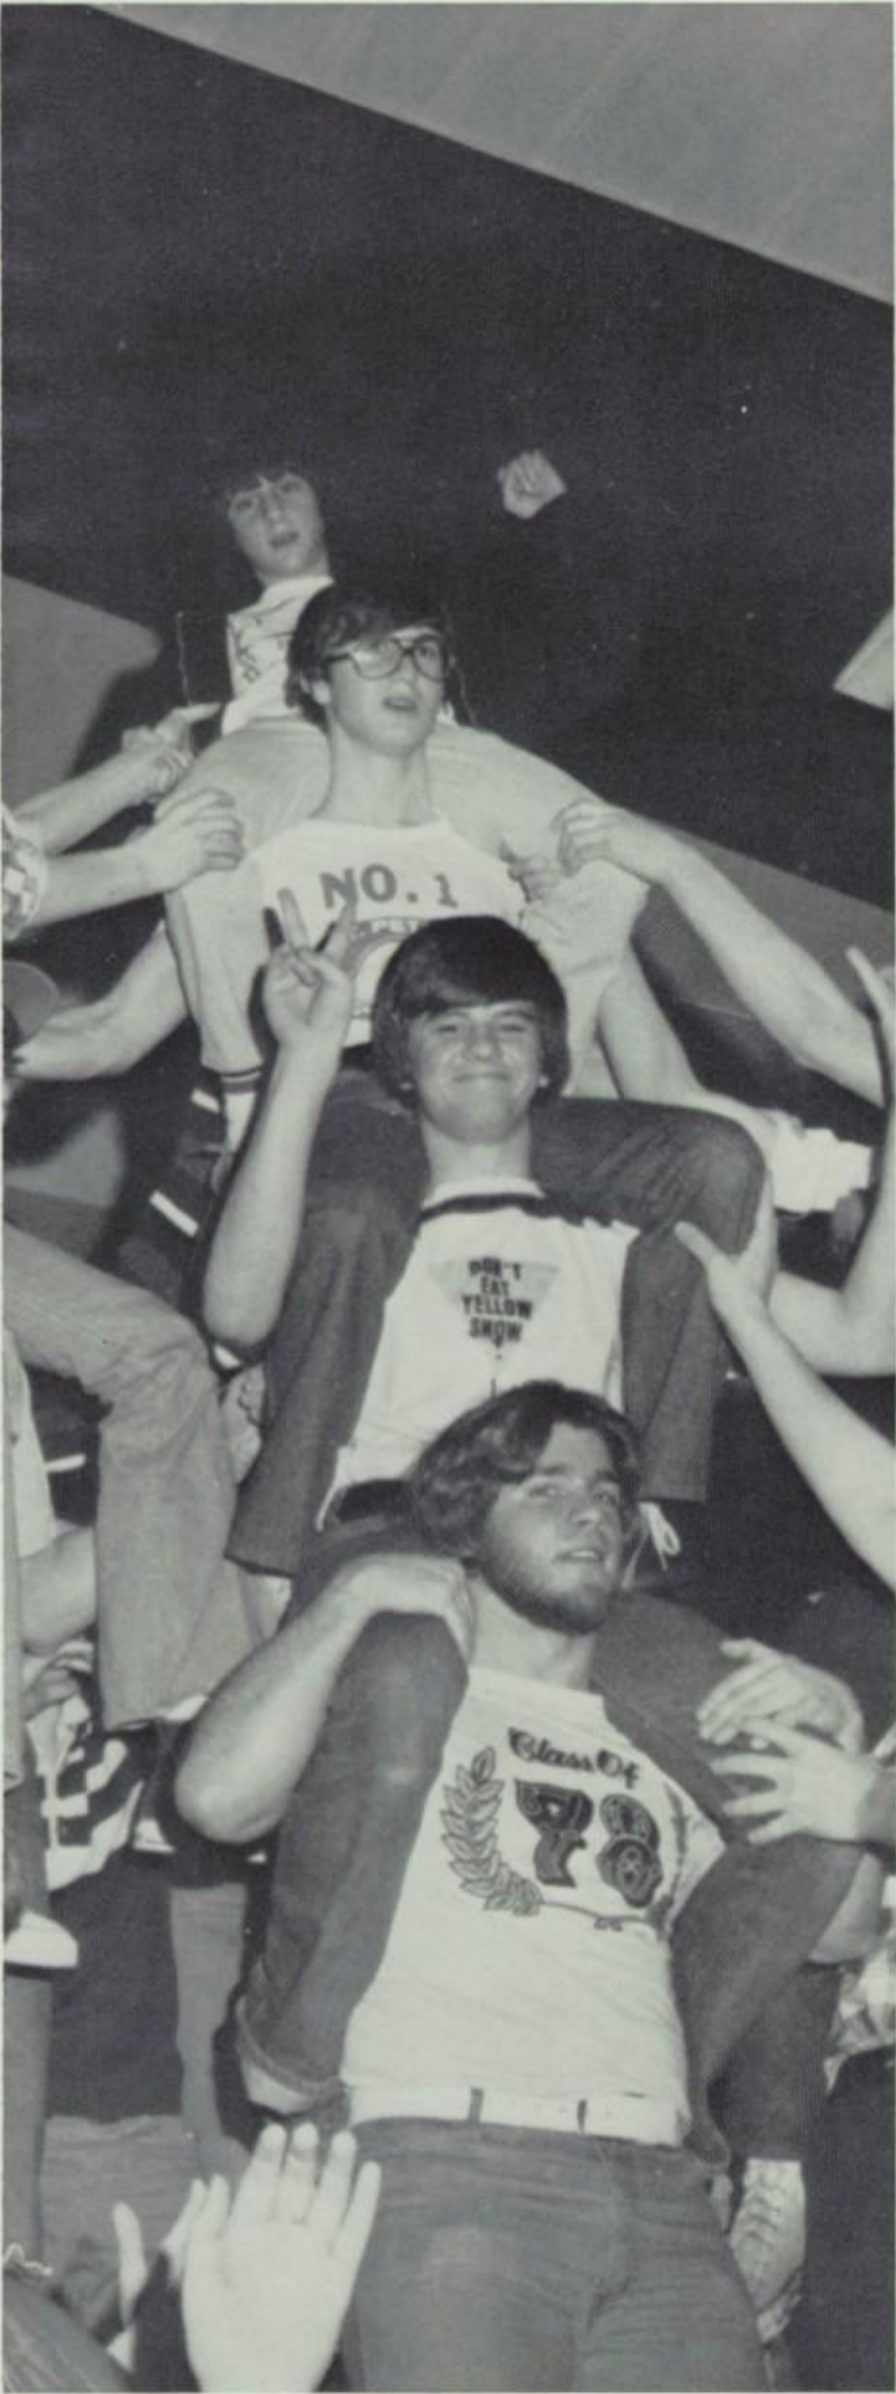

A jubilant State Championship Team!

Every aspect of sports at St. Peter's showed its incredible talent and success in competition. From a boys' basketball championship team to a girls' basketball regional semi-finalist . . . from three state qualifying wrestlers to a girls' state tennis qualifier . . . from our perennially good baseball, golf, volleyball, and tennis teams to our new girls' softball team . . . sports has provided us many memorable moments. It is amazing that participation in athletics is so high; over 65% of our students are active in fall, winter, and spring sports, with many others participating in Y and Friendly House activities. With the fantastic support of our energetic fans, sports participation is nearly 100% at St. Peter's. We now invite you to relive the year's triumphant sports seasons . . .

"Looks Like

All that hassle
For a little Tassel

We Made It''

The Class of '78 is grateful to all those who have guided and have been friends to us over the years at St. Peter's, especially Kathy Molson and Ginger Kutney.

"Thank you for being a friend
Traveled down the road and back again,
Your heart is true,
You're a pal and a confidant.
I'm not ashamed to say,
I hope it will always stay this way."

"I close my eyes, only for a moment
and the moment's gone.
Don't hang on, nothing lasts forever
but the earth and sky.
It slips away, all your money won't
Another minute buy . . . Dust in the wind,
All we are is dust in the wind."

"And when we die and float away,
You'll hear me call as we ascend,
I'll say your name — then once again,
Thank you for being a friend."

We offer our apologies to the Spartan Booster Club, which was inadvertently omitted from the Advertising-Patron list in last year's Petrarchan.

The Booster Club has always been a tremendous supporter of St. Peter's yearbooks; we extend our gratitude to the Boosters.

As in the past, the Petrarchan could not have produced without the professional assistance of Buell-Kraft Studio and the House of Portraits. The staff extends its gratitude and appreciation to the studios for their help and photographic supplies.

We also thank Sister Bernard Marie, the Photography Club, and Mr. Paul Benich for their assistance.
